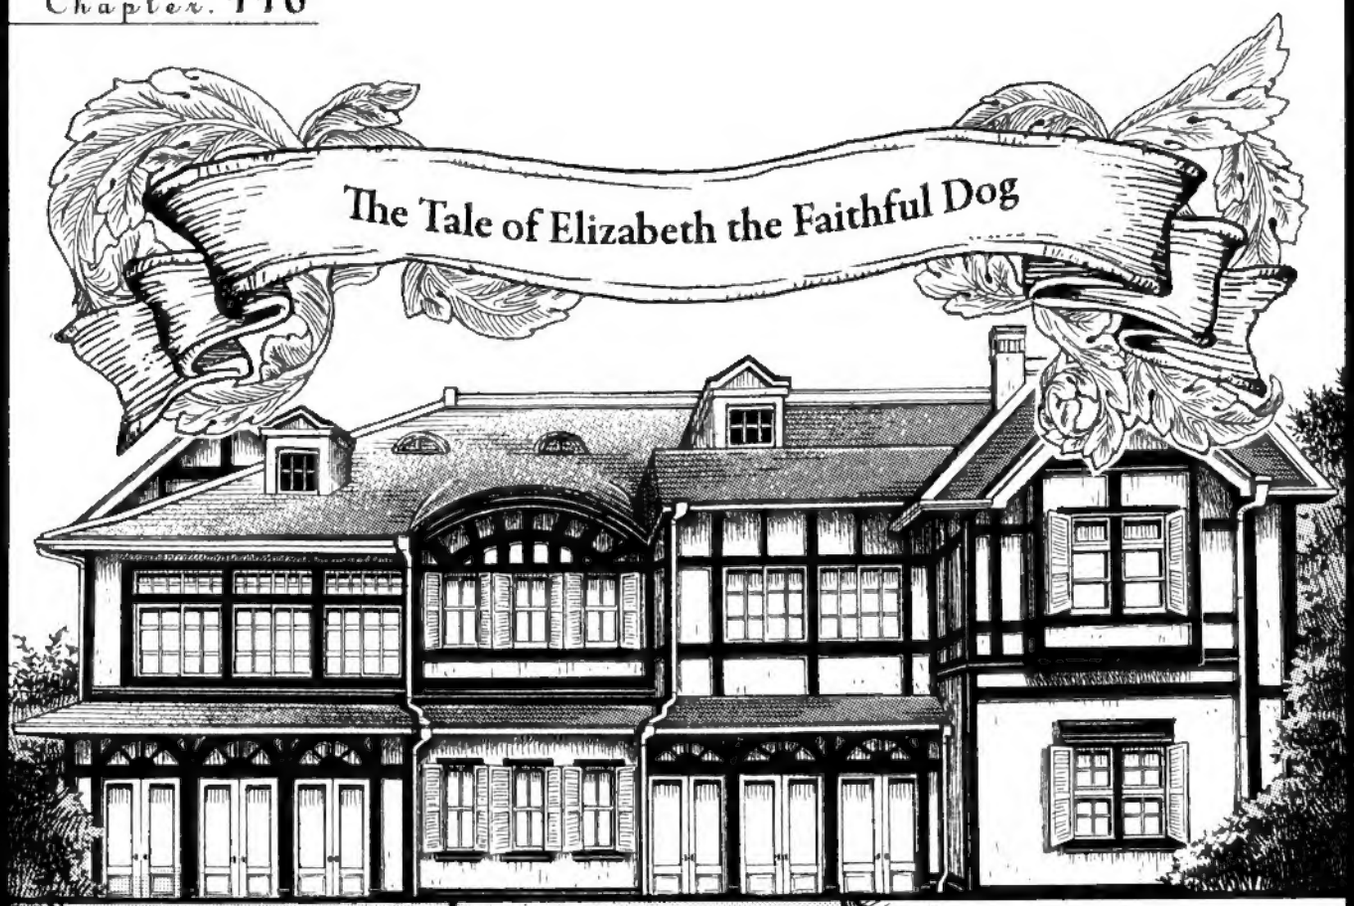
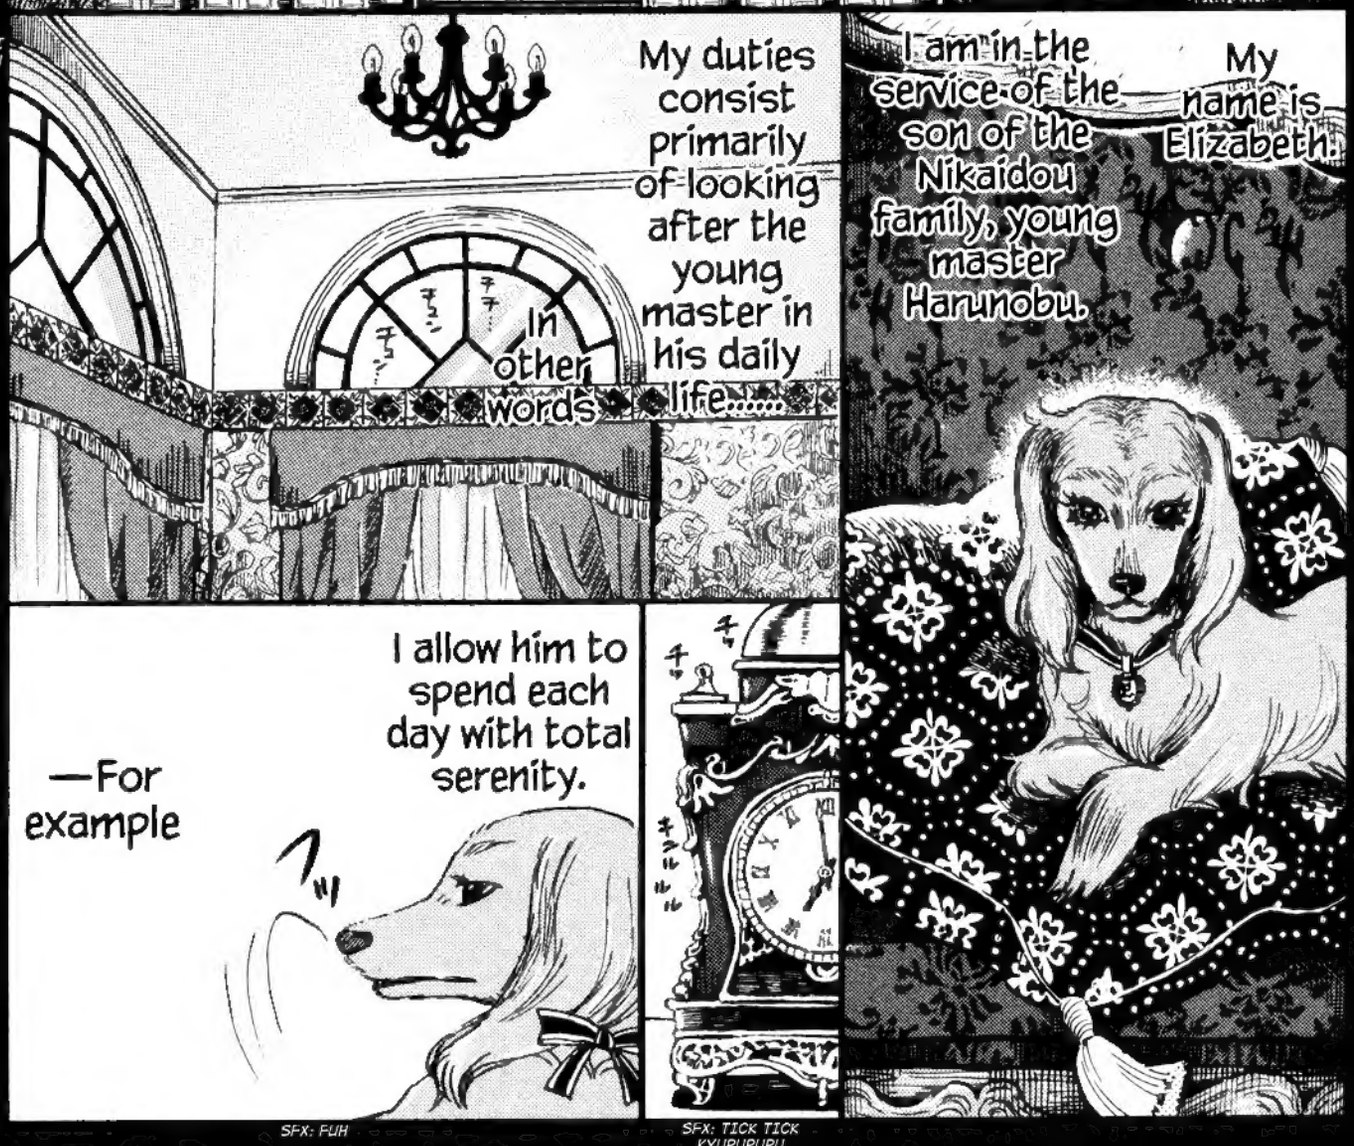
Chapter. 116



The Tale of Elizabeth the Faithful Dog



SFX: CHICHCI ... CHUN CHUN...
My duties consist primarily of looking after the young master in his daily life.....
In other words
I am in the service of the son of the Nikaidou family, young master Harunobu.
My name is Elizabeth.
I allow him to spend each day with total serenity.
—For example

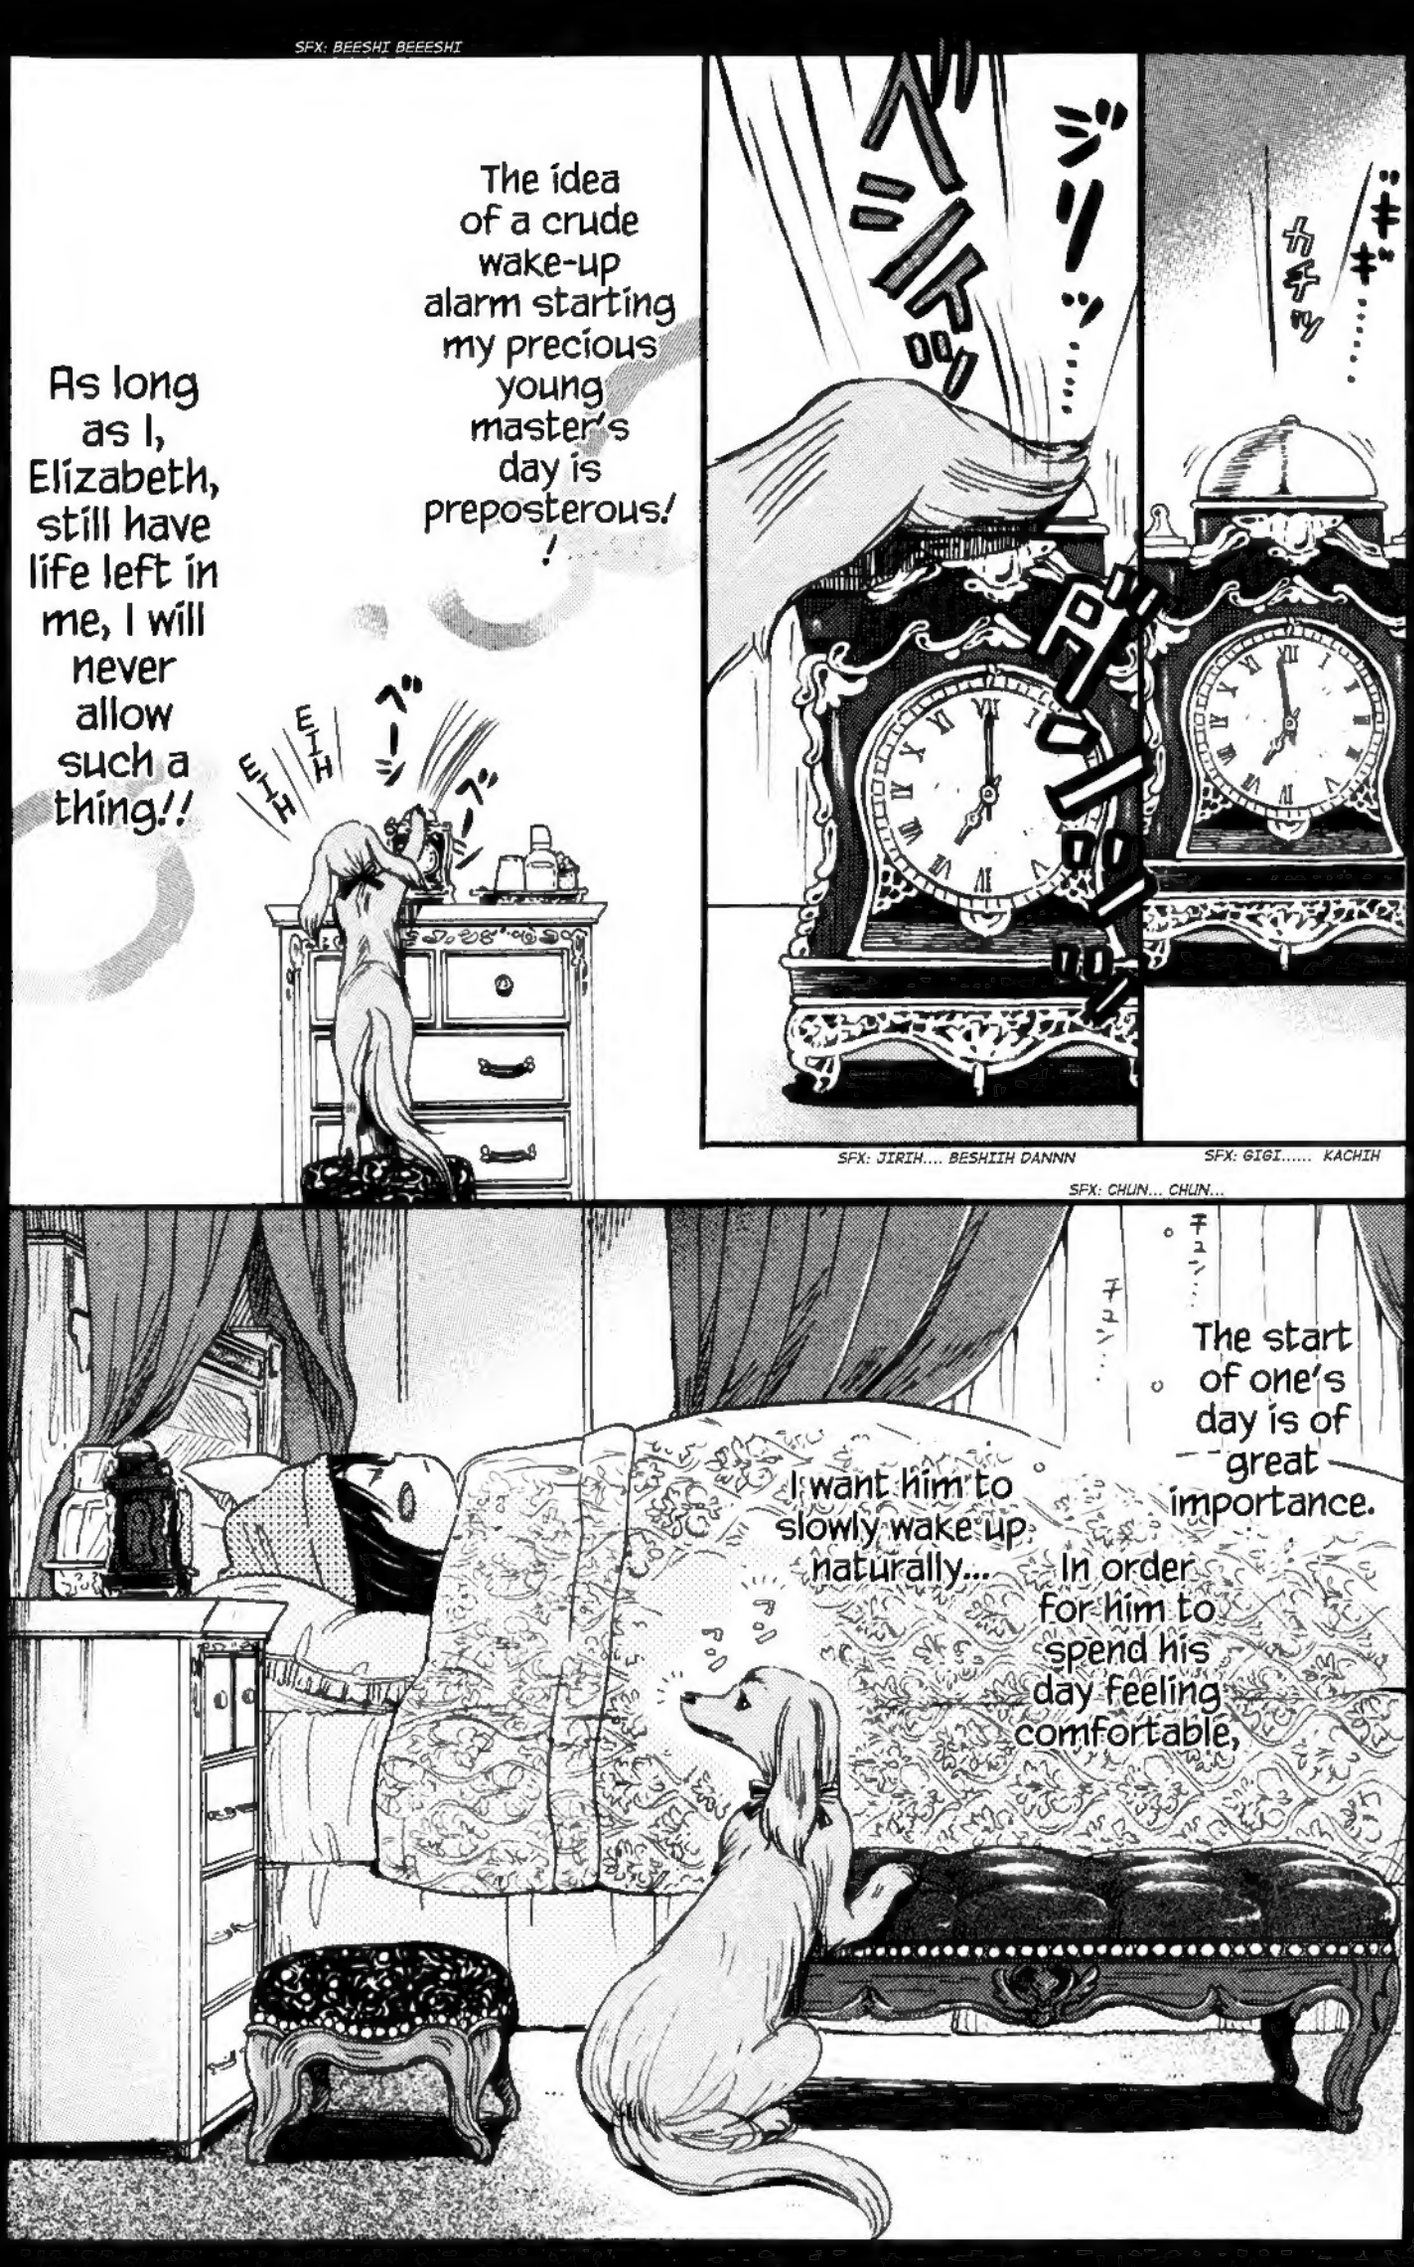
SFX: TICK TICK KYURURURU



SFX: BEESHI BEEESHI
The idea of a crude wake-up alarm starting my precious young master's day is preposterous!
!
As long as I, Elizabeth, still have life left in me, I will never allow such a thing!!

The start of one's day is of great importance.
I want him to slowly wake up naturally...
In order for him to spend his day feeling comfortable,

—First I gently make my presence known from the side of the bed like this...
And then I use my nose to check to see if there are any changes in Harunobu-sama's physical condition like a fever.

start like this, with a smile.
OKAY, I GET IT!
EVERY DAY LIKE THIS! WHAT AM I GONNA DO WITH YOU?!
I'M UP, I'M UP!
HA HA HAH

Looking at Young Master's profile with that serious look on his face always gives me chills.
gives a sanctified feel to the room.
The image of him dedicating his body and mind to it
Those beautiful click-clack sounds echo constantly.
Harunobu-sama studies shogi all day long.
The big dogs !!
